## CERAMICS AND OTHER ARTS

### INTRODUCTION

---

I started working with ceramics after a fifteen year career in business and software. Pottery on the wheel and hand-worked wall pieces have become my focus. These works are primarily completed with non-traditional Raku glazing and firing.

### EDUCATION

---

- Blue Wave Pottery classes with instructor Travis Thomason
- Red Rocks Community College ceramics and art courses with Annette Gates and Judith Lightfield
- Seminars and private instruction with Bob Smith
- Lots of practice in my basement and garage with wheel and kilns
- MS Humanities, University of Colorado
- MS Communication, University of Denver
